

PIAS Credit Union

Skip-A-Loan Payment Application

I understand that by signing below, I am authorizing the credit union to “skip” my upcoming loan payment(s) and to deduct a \$25.00 processing fee per loan from my share (savings) account upon receipt of this form (NOTE: *If you don't have the \$25.00 fee per loan on deposit, it must be paid before the payment(s) can be skipped*). Also, I understand that if my loan payment(s) is payroll deducted that the money will remain in my share account and that loan interest will continue to accrue at the stated rate on my loan agreement. Please drop off, mail or fax (615-360-9954) this form back to the CU.
